## How to build a portfolio of impact products & a sustainable future for all

*Moderated by Tim Radjy, with impact investments specialists  
from the UNDP, Lombard Odier and Phenix Capital*

### Panel speakers

#### Tim Radjy

Tim is the Founder of and Managing Partner of AlphaMundi Group since 2008, and based in Geneva, Switzerland. He is also Chairman of the Board of AlphaMundi's SocialAlpha Investment Fund (SAIF) in Luxembourg, the Treasurer of AlphaMundi Foundation in Washington DC, and Chairman of the Investment Committee of the Alphajiri Fund in Mauritius.

#### Maria Laura Tinelli

Maria is the Director and Founder of Acrux Partners, an impact investment intermediary and market developer focused in South America. She founded and heads the Impact Investment National Advisory Board for Argentina, Uruguay and Paraguay. Together with Social Finance UK and the IADB she has structured the first Social Impact Bond for Argentina in 2018, and together with relevant stakeholders in Latin American has created the Latin American Outcome Payments Network. In 2019 she has been elected as Board Member for the Global Steering Group on Impact Investment where she serves representing Latin America.

#### Florence Kiss

Florence has 27 years of financial market experience, having principally served as a fixed income trader and adviser for institutional and private clients at HSBC in London, Paris and Geneva. As a fixed income adviser at Lombard Odier, she has been developing sustainable investment themes since 2016, and was appointed as responsible for the sustainable investment offering of the private bank in September 2018. Florence is also the portfolio manager of LO Gateway Development Finance Fund since May 2019, an impact fund with a mission to give access to basic services (such as banking, healthcare, energy) to the population at the bottom of the pyramid.

#### Jack Heapey

Jack is a Senior Associate at Phenix Capital. Phenix Capital is an Amsterdam-based investment consultant that catalyses institutional capital for the SDGs. Through their institutional impact conferences, impact fund database, impact due diligence tool, and placement services, Phenix Capital aims to enable institutional investors to make impact fund investments.

### Keynote speaker

#### Matthieu Tordeur

Matthieu is one of the youngest member of the French Explorers' Society. He is the youngest person in the world and the first French to reach the South Pole solo, unassisted and unsupported. He cycled, skied, drove, sailed and kayaked in more than 90 countries. Among other adventures he drove around the world to promote microfinance. He will present his views on the urge for environmental and social action.
